

MOUNTAIN BIKING

Sweet drops. Wicked lava fields. Easy cruisers. Awesome jumps. Our challenging and virtually endless terrain has put us on the map as one of the country's (ok, the world's) premier mountain biking destinations.

That's not to say you have to be hard-core to ride here. We've got trails for any level of rider. Whether you're just starting out, or an old hand at catching air and bagging peaks.

GRAVITY PASS

Unlimited Chairlift Rides ONLY

GRAVITY PASS 2011
