

# CHAIRLIFT RIDES

## Rules and Instructions

In order to ride the chairlift, all passengers must have the ability to not only ride the chairlift but to also be evacuated from the chair and the terrain below. Sturdy, closed-toed footwear is highly recommended. Children must sit independently (not being held or in a lap).

- If unfamiliar with use of lift, please ask operator for instructions
- **This is a moving lift - the chair will not stop for loading/unloading unless you specifically ask the operator to stop it or slow it down for you**
- Do not load until instructed by operator
- Check for loose clothing and equipment. Remove and carry backpacks in laps.
- To load: follow a chair out to the red line where indicated
- Lower foot rest when clear of ramp
- Watch for unloading instructions as you near the top/bottom
- All passengers must unload at the top and bottom

**LAST RIDE UP 3:30PM. LAST RIDE DOWN 3:45PM.  
UNLESS THE LIFT CLOSSES EARLY DUE TO WEATHER.**
