The Angel Fire Jr. Golf Team is for children ages 6-16. All playing abilities are welcome. Over the course of ten weeks our Instructors will improve your child's game by following the U.S. Kids Golf Learning Program. This program is an easy to use pathway, which consists of ten levels. Within each level, there are five checkpoints in which achievement pins may be earned: Putting, Around the Green, Full Swing, Knowledge, and Scoring. Once all five are attained, a Mastered pin is awarded, and the player advances to the next level. For more information and to register call the Angel Fire Country Club Golf Staff at (575) 377-4488.
