LATE WINTER 2025-2026

## Dear Angel Fire Resort Members,

---

As we move into late winter and begin to wrap up another ski season, we want to extend a sincere thank you to our Angel Fire Resort members. While nature didn't deliver the snowfall that we all hoped for, our team once again did everything possible to ensure guests and members enjoyed the very best skiing and snowboarding experience on our mountain. From snowmaking to grooming, the dedication and care behind the scenes made a meaningful difference all season long.

One of the true highlights of the winter was our annual Winter Ball. It was a joy to gather, celebrate, and spend time together as a community. Moments like these remind us how special Angel Fire truly is—not just for the recreation, but for the people. Taking a step back to look around and appreciate the incredible natural beauty that surrounds us, and realizing we get to share it with such a wonderful group of people, is always deeply rewarding.

While it's never easy to say goodbye to winter, there's so much to be excited about as we look ahead to spring. New adventures, fresh energy, and more opportunities to connect are right around the corner. Thank you for making Angel Fire Resort so welcoming, supportive, and fun. We are truly grateful for each of you and look forward to exciting seasons ahead.

*Warm regards,*

*Angel Fire Resort Membership*

# Winter Ball 2026

## A NIGHT TO REMEMBER

The 4th Annual Members' Winter Ball was a great success. Yellow Brick Road delivered the ultimate Elton John vibe, and the dance floor stayed packed all night.
